FSIN OPPOSES FREEDOM CONVOY AND CULTURAL APPROPRIATION

(Treaty 4 Territory, Regina SK) – The Federation of Sovereign Indigenous Nations (FSIN) Executive strongly opposes the actions and tactics of the “Freedom Convoy” protestors, some of whom have been openly sharing ignorant acts of cultural appropriation of First Nations culture and spirituality, publicly and online. The FSIN condemns such open acts of racism and ignorance, which are being committed across our traditional Treaty territories.

“Our First Nations communities have been some of the hardest hit since the beginning of the pandemic. We have been working tirelessly to distribute PPE and supplies to our First Nations because we are highly vulnerable to COVID-19. Our families and communities have suffered insurmountable losses because of this horrible virus and our First Nations Chiefs have implemented some of the strictest protocols in the country to keep their membership safe,” says FSIN Chief Bobby Cameron. “This convoy is an insult to our Chiefs, our communities, and to the hundreds of loved ones we’ve lost through this pandemic. Not only are these protestors risking lives and spreading false information, but they’re also disrespecting our traditional drums, pipes, and medicines. It’s a disgrace to see our culturally sacred items being used improperly, without proper protocol, in support of anti-vaccine protests.”

The Federation of Sovereign Indigenous Nations is committed to honouring the spirit and intent of the Treaties, as well as the promotion, protection and implementation of the Treaty promises that were made more than a century ago.
